Sub: Honda City Car WB02AF4732 - Accident

Sir,

This is to inform you that myself was driving the car
WB02AF4732, and was going back home from my factory
after completing my duties.

At around 10:12 PM, I had stopped the car at the Red
light signal of city centre crossing, waiting for signal
to turn green.

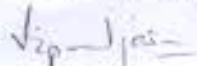

Suddenly one loaded truck with LPG cylinder hit the
car from right hand side near bonnet / driver side seat
and ran away. I got down from my car and saw
the front tyre had got bursted / damaged and the
front bumper, side rear view mirror had got completely
damaged & there were lot of marks due to rubbing of
truck with my car. The car has got badly damaged.

The accident had happened for no fault of mine & in
presence of civil volunteers & other person, who helped me
to note down the number of truck 'WB19H 5859'. They
informed it to PCR / P.S. / Police van & the truck was seized
by police.

Request you to acknowledge this application so that car can
be sent for repairs under insurance claim.

Thanking You.

Yours faithfully,

VIPUL JAIN / S.O MR. V.K. JAIN.

Dharmendra Petroleum & Tires Ltd.
Haldia.
