Received on 28/5/17 at 08:15h and Standard Contai P/S Case No-156/17. The document contains multiple handwritten entries, likely representing a list of items or a detailed report. The text is written in Odia and is oriented vertically on the page. The entries appear to be repetitive, possibly indicating a list of items or a series of observations. The handwriting is somewhat cursive and difficult to decipher in detail, but the structure suggests a formal record or inventory list.
