Consequently, savings under the M.I.S. go
down as the bank cannot do anything else
than lend, get remunerative. In short we
are not the right authority writing a report
of this sort. So, I think you can put this
over under which authority, being fixed
deposit comes in there and after that there
will be no difficulty in getting the
loan part of the loan which will be given
by the bank. Now, I am not able to
say whether the bank will give such a
loan or not. But, I am sure that the
bank will give such a loan if it is
convinced that the person who is
borrowing is a good person. And, another
thing is that the bank will give such a
loan if it is convinced that the person
is not a bad person.
