Sub. - Complaint against the OP for not obeying the order of LD Civil Judge (Toda) being case no. T.S-201/15

Sir,

I am sorry to inform you in spite of LD Civil Court's order being T.S. 201/15 which was issued in solemnance between OP no-1 and my self stating that the OP-1 and its associates could not clear the rain water of drain.

By the immoral, heinous and illegal activity of the OP members I sustained a loss of Rs. 50,000/- for not clearing the water from the drain.

Received on 24/06/17 at 17:25pm and

Started Sutahata

P.S. Case no-224/17

dt. 24/06/17 U/S-188/

502/B4 I.L.

OP-3 particularly and specially creates a pressure to OP-1 and others for not clearing the gathering water. As a result the area is becoming polluted

The OPs threatened me with willful language and not remove the obstruction from the drain which was

constructed by one Nitya Das and my self in our own costs.

And on the basis of solemnance we constructed the drain as per direction of OP no-1. After construction of the OP-1 obstructed the drain. That the OP-1 by his false pretext cheated me as for instruction and collusion with OP no-3.

They may lose my life.

And they can do every thing with by the influence of political party.
